Description

Unique, complete, and large IHS ex-voto ornament, dating from the 19th century, 20.8 cm (8.18 inches). Rare item. This IHS religious voto is of exceptional craftsmanship. The quality of the processing, with all the retouching, is a true masterpiece. In the center, a large ruby red glass panel engraved with IHS. IHS represents the Lord Jesus. Around it, four smaller red glass panels decorated with other religious engravings, such as the hammer, nails, and crown of thorns. The five ruby red glass stones are set with 92 clear rhinestones and set in a delicate gilt brass piece. It is absolutely incredible. To give it an extra dimension, we have added four smaller gilt brass elements, each decorated with three red rhinestones, and topped with a cross made of clear and red stones. On the back, a small brass
