Description

Good Quality Mid-Century Italian Bamboo & Rattan Reclining Chaise Longue Sun Lounger This mid 20th-century Italian Riviera bamboo and rattan reclining chaise longue sun lounger is a stunning example of Italian design. The piece features a bamboo structure with a braided wicker back and seat, along with a matching pull-out footstool. The chaise longue boasts a bamboo reclining frame with hand-woven rattan on the seat, back, with a lovely curved bamboo frame arms, combining elegance with comfort. Manufactured in Italy during the 1950s, it showcases beautiful details, perfect proportions, and is robust, remaining in very good condition. A famous design from the mid 20th century, this chaise longue would be a perfect addition to your terrace, garden, or
