Description

Majestic jardiniere in fine earthenware called Neapolitan majolica, more precisely Capodimonte, a famous Italian manufacturer founded in Naples in the 18th century (around 1743) by Charles III of Bourbon; relief decoration of very detailed hand-modeled flowers, floral and mythological, this one is rarer, animated by animals, here a couple of adorable cats. The colors are rich and enameled, with a characteristic shine. We will notice on the two handles a mythological head - 20th
