Description

Yellow bronze table lamp. Both the decoration and the shape are very rare. The alternation of full and empty spaces offers all its originality. We find; gadroons, acanthus leaves, shells, pearl falls, mounted bases, caryatids, fleurons, interlacing, urn, stylized palmettes, spinning tops. The openwork part of the candlesticks and the base add a little more quality to the whole. The lampshades are in vellum skin. The bulbs are screw-in. Electricity revised. Delivery possible not included in the price.
