

Large Famille Verte Figure Of A Parrot - China 18th Century Kangxi Period

2 500 EUR

Period : 18th century

Condition : Bon état

Material : Porcelain

Height : 24,8cm

Description

A large Famille Verte figure of a parrot. The beak and base are left biscuit, the base is nevertheless partially enameled. China, 18th Kangxi period (1661-1722) Height : 24,8cm Head have been reattached to the body, small missing parts have been filled in so that the head fits perfectly on the body. During the manufacturing process, the head is probably added afterwards and therefore weakened. A few other minor firing defects, or tiny chips on the base. Some minor missing parts in reticulated rock part. More information and photos on request.
