

Fragment Of A 14th-century French Limestone Statuary Hand

545 EUR

Period : Before 16th century

Condition : En l'etat

Material : Stone

Width : 13

Height : 22

Depth : 11

Description

Incredible 14th-century French limestone hand fragment, featuring a characteristic absence of fingers and a beautiful break in the arm. Magnificent patina due to the fragment's 700-year age. Mounted on a contemporary metal stand.
