1 800 EUR

Period : 18th century

Condition : Etat d'usage

Diameter : 11,1 cm

Depth : 1,2 cm

### Description

This quality miniature in the style of Quentin de La Tour is from the 18th century, it represents a galleon and the entrance to a port, probably identifiable, characters in costume, sailors on the left. Note, a nice technique in the clouds, in the lighting and the colors. The gilded wooden frame is original, it is worn, we report some lack of gilding and traces of wear. As for the miniature, it has remained fresh, note a stain at the top right. Our numerous photos allow you to appreciate the quality of the object. For the condition, please detail the photos. Do not hesitate to zoom. The photos are an integral part of the description.
