### Description

This oil on wood panel represents a hermit probably in prayer, he seems surprised, next to him we find a book, a Vanity. A nice technique, the whole is from the 17th century. For the condition, we note that the panel is to be reattached, note scratches, rubbing, the whole remains however in a more than acceptable state. This work is sold in its natural juice, not cleaned restored. Please detail the photos. Do not hesitate to zoom. The photos are an integral part of the description.
