

J.gras Rosewood Clarinet

350 EUR

Signature : J.Gras

Period : 20th century

Condition : Bon état

Material : Rosewood

Length : 59,6cm

Description

Clarinet in B flat with Boehm system. These instruments of fine quality were made in Paris between 1930 and 1956 according to "The Golden Book of the French Clarinet" Here the keys seem to be in silver or silver plated metal, even if no hallmark appears. The springs and buffers still seem to be in working order. The instrument is made of rosewood.
