

German Steel And Gilded Copper Set With Hunting Decoration Dating From Around 1700

5 200 EUR

Period : 18th century

Condition : Bon état

Material : Other

Length : cuillère de 17,3 cm ; fourchette de 18,4 cm ; couteau de 20 cm ; fourchette bident de 19,7 cm.

Description

A steel and gilded copper set with hunting decoration (deer, hare hunting, etc.) comprising four folding elements: a spoon, a four-tined fork, a knife and a bident fork. In their original gilding.

The handles, which fold downwards, end in a scroll and are molded and chased with hunting scenes on an ornate, finely worked background.

The spoon and fork have a trifid handle.

Knife with hallmarked steel blade.
