Description

Louis XV period Provençal Arlesian chest of drawers in walnut, 18th century. Opening on the front with two molded drawers. It rests on 4 beautifully arched feet with scrolled ends placed on sabots. The wide lower crosspiece is openwork, it offers a beautiful sculpture of a rocaille cartouche surrounded by foliage branches. Beautiful gilded bronze ornamentation: handles and lock entries. Quality Arlesian work from the first half of the 18th century.

Dimensions: h88x120x64
