

## Haute Epoque Wrought Iron Wall Lamp

680 EUR

Period : 17th century

Condition : Très bon état

Material : Wrought iron

Width : 31 cm

Height : 40 cm

Depth : 16 cm

### Description

We are presenting this very early wrought iron wall light, we believe it dates back to at least the 17th century, or even earlier. It is made to hold large tapers or large wax candles. A superb patina and originally this wall light was certainly entirely gilded. Very well preserved for the period. Shipping not included (E25)
