

Large Panel With 18th Century Score And Instruments

4 200 EUR

Period : 18th century

Condition : Très bon état

Material : Painted wood

Width : 124

Height : 72

Description

Elegant carved, painted and gilded oak panel, probably intended to adorn the top of a door. The composition features an open score, surrounded by emblematic instruments of the musical arts: flute, transverse flute... The scene is framed by an elegant plant border sculpted in light relief, punctuated by scrolls of acanthus and bunches of fruit, typical of the rocaille taste that predominated under Louis XV.
