Description

Red velvet living room, Gio' Ponti style, 1950s
Beautiful red velvet living room composed of sofa and two fabric armchairs
The living room is entirely upholstered in deep red velvet, with profiles finished with a thin mustard/gold cord that elegantly outlines the shape of the cushions. The shapes are soft and enveloping, with backs worked in vertical sectors that resemble the shape of a shell or stylized flower, typical of the "petal back" style in vogue in the 1950s.
