Condition : Parfait état

Material : Ceramic

Length : 34cm

Width : 22 cm

Height : 10 cm

Description

Beautiful black box by Claude Champy, pink interior. Champy's boxes, like his teapots, are an anthology of his expressionist and poetic work, they are anything but boxes, but they are marvelous boxes. Champy's black is just the right satin finish to caress the eye...Claude Champy is one of the very great French ceramists, medalist in Japan, which is very rare.
