### Description

France / 1820 / stool / oak / Rustic

Antique oak joint stool crafted in France. The top has a beveled edge, following down to scalloped aprons. The stool is supported on beautiful hand turned and carved decorated legs, joined by simple stretchers. The beautiful patina gathered over the years gives this stool extra character.

This characterful stool is multi purpose piece that will always find its place. Use it as a side table for your favorite lamp, a convenient spot for your morning coffee, or even as a decorative display for plants and books. The sturdy construction ensures durability, while the timeless design seamlessly blends with various interior styles. Elevate your interior with this functional yet
