

Ceramic Cup Of Saint Radegonde

330 EUR

Signature : Manufacture Sainte Radegonde

Period : 20th century

Condition : Restauré

Diameter : 23

Height : 11

Description

Beautiful ceramic glazed bowl on a pedestal from the Sainte Radegonde factory in the characteristic turquoise blue and white colors. The decoration is however rarer since it is flowers, one petal of which has been glued back on, this is really the only flaw of this very pretty model.
