

Pair Of Inclined Display Cases - Early 20th Century

300 EUR

Period : 20th century

Condition : Etat d'usage

Material : Metal

Width : 121

Height : 51

Depth : 55

Description

Pair of low display cases made of metal and thick glass, with a sloping front. Iron structure with a patina of use, sloping glass top and glass sides. Front opening with a small metal handle. The interior is accessible from the top, allowing for an effective display of flat objects or documents. These display cases probably come from a former business or workshop. They can be used for museum presentation, boutique or private collection. Metal to be stripped, glass to be cleaned, sold as is, price calculated according to the condition. Dimensions 121*51*55 cm and 96*51*55 cm.
