Description

Antique armchair dating back to the mid-19th century during the Louis Philippe period.The armchair is characterized by a solid walnut structure, comfortable backrest and seat with padding. Its design perfectly follows the fashion of the historical period with fluid lines and small turned decorations that give an enchanting accent. The padding is covered with a plain fabric without decorations in the color blue.A comfortable armchair perfect for moments of relaxation, reading and conversation, it can be placed in different rooms of the house in the living room, in the office and even in the bedroom. Wherever you decide to place it, this armchair will bring a memory of Italian history into your home.from a conservative point of view, the wood is in excellent condition, the
