Description

Spectacular ovoid vase with a flattened body and a shuttle neck on a triple glass pedestal.

Magnificent decoration engraved in very fine acid-etched reserves and reworked with a wheel, of foliage and sea fig flowers on a satin yellow background. The decoration is repeated in engraving from the inside of the vase, to offer perfect luminosity to the floral decorations.

Remarkable luminous rendering! Period 1918-1931 We invite you to visit our website: antiquites-art-nouveau.fr
