Description

Pair of blackout and thermal curtains in sky blue cotton and silk with decorative braids. Pair of curtains with matching tiebacks, in cotton with a sky blue silk blend, with a sober and elegant style, offering a soft drape. Thanks to their fleece between the fabric and the lining, they are both blackout and thermal, perfect for keeping the heat in winter and the coolness in summer. The gathered head gives a pleated effect that brings volume and elegance. Ties are fixed to facilitate hanging. The edges, the center and the lower part are highlighted by pretty braids in the shape of decorative pompoms in matching tones, bringing a touch of refinement. Composition : cotton and silk. Color: soft sky blues. Finishing : decorative braids on the center, edges and bottom. Properties : blackout and thermal. Condition : good general
