### Description

Beautiful curved chest of drawers with two drawers without crosspieces. In Louis XV style, it was born in the workshop of Comelli known as "Walter". Of Italian origin, he worked in Savoie in the 1950s. A specialist in lacquered painting, his pieces are very neat, with Chinese motifs in the spirit of Pillement. The cracking is treated in trompe l'oeil. A beautiful quality of gilded bronze adorns this chest of drawers. Original marble.
