Description

Gustav Klimt, gold and women. Immerse yourself in the sensual and dreamlike world of Gustav Klimt with this sumptuous wall rug, in his unique style from his Golden Period. Inspired by Gustav Klimt's iconic work Water Serpent, this sumptuous rug captures the essence of Viennese Symbolism and early 20th-century decorative art. The undulating female figure, a true aquatic muse, stretches gracefully in a fluid composition, evoking the mysterious currents of water and the sensuality inherent in Klimt's universe. The design blends abstraction and figuration, where each decorative element seems to interact with the rest, creating a vibrant and luxurious harmony. Ideal for a refined interior, this rug is not just a decorative object, but a work of textile art in its own right, paying homage to Klimt's ornamental
