

## Art Nouveau Lantern

850 EUR

Period : 20th century

Condition : Parfait état

Material : Metal

Height : 110 cm.

### Description

France, circa 1900 Art Nouveau lantern Metal with verdigris patina, stamped and openwork, fixed by rivets; purple "cathedral" glass. Height (chain included): 110 cm. Perfect original condition, including the 5 glasses. Fully functional (electrical circuit completely revised). Has 4 openings, closed by a small handle, to change the bulb or clean the glasses. Supplied with a set of 5 antique transparent glasses (if you want less color and/or more brightness). Free delivery to Paris, Rambouillet, Chartres, Le Mans, Béziers, Avignon, Montpellier, Toulouse, Castres. Other destinations, please contact me. My opinion: a beautiful interior lantern that will suit a 1900 interior as well as a classic or contemporary interior. You can also have other colored glasses cut and installed, to obtain the perfect shade for
