Description

Painted wooden corner cupboard, Arte Povera decor - Italy, 18th century Charming corner cupboard with a curved facade decorated with a rich polychrome decor known as Arte Povera. (cut and glued engravings) The door presents a lively rural scene: under a large central tree, two seated figures converse in a bucolic landscape. A bird and a butterfly enliven the upper part, while foliage and flowers frame the composition. The decoration, delicately applied to an ochre background, is enhanced with varnish. The top, in steps, forms a series of recessed display shelves. 143 cm high by 43 cm Italian work, 18th century.
