Description

This is a stunning and sophisticated piece of mid-century furniture. Italian design from the 1970s often combines elegance and practicality, making this coffee table truly unique.The combination of walnut veneer and white lacquer creates a captivating aesthetic. The contrasting colors are a key feature of its unique design. Its rectangular shape, combining aesthetics and functionality, makes it a versatile addition to any living space. Additional features, such as the niches in the lower shelf, make it practical and provide additional storage space for magazines or other everyday items. It comes with convenient wheels for easy movement when hosting guests.The surface has been completely restored, making it an ideal addition to your home.
