### Description

We offer this splendid pair of Italian single beds dating back to the early decades of the 20th century. The beds feature a design inspired by the sumptuous Louis XVI style. Very linear, with delicate and refined carved decoration that adds a visual accent without overpowering the overall elegance. The frame is made of walnut, but their distinctive feature is the headboard and footboard embellished with Vienna straw. They are in excellent condition; the Vienna straw shows no cracks, only minor signs of wear consistent with their age. A versatile pair of beds, perfect for a country or seaside home, but also attractive in the city, lending a vintage feel to the space. Please carefully review the dimensions of each bed, which are for a single person. Internal dimensions inches L 33.85 D 81.49 cm L 86 D 207.
