Description

Bouilllotte lamp in silver-plated metal. The hexagonal lace shape offers carving with net, molding and high relief. (diam 15 cm) The baluster, also geometric, alternates with spinning top and molding. The volute-shaped branches rest on a rolling and shell decoration. The budgerigars have hexagonal sides and a cup with floral-style lace. At the top, the spinning top includes the same shape. The linen lampshade has been redone in cream linen. (h 18 cm) Screw bulbs. Electricity revised. Beautiful brightness! Delivery possible not included in the price.
