Description

Vintage IWC
(International Watch Co.) 18ct Yellow Gold Automatic Men's Watch - Ref. 608A | Calibre 8531
| Circa 1960-1965 This stunning vintage IWC men's watch is a true collector's piece, crafted in 18ct yellow gold with full 750 hallmarks on the case. It features the highly regarded automatic Calibre 8531 movement, known for its durability and precision, with a date complication at the 3 o'clock position. The champagne dial is in superb condition, paired with gold-coloured hands, including a sweeping center seconds hand, giving the watch a refined and classic look. The original IWC-signed crown is still in place, adding to its authenticity. Recently fully serviced by a professional jeweller, this timepiece keeps excellent time and is running flawlessly. It's ready to wear and enjoy. Key Features
