Description

Charming floor lamp, electrified and made from an antique giltwood processional candlestick, probably of Italian origin and dating from the early 20th century.

The carved wooden shaft features spiral fluting and acanthus leaf motifs, resting on a round base carved with stylized palmettes. The gold finish has a lovely antique patina, with light signs of age. The lamp has been converted for electricity, with functioning wiring and a foot switch.

It is available with or without lampshade:
EUR270 without lampshade
EUR350 with vintage fabric lampshade decorated with crochet lace

The shade, dome-shaped, is covered in
