Description

Maria Teresa 1950s nine-light Crystal Maria Teresa Chandelier, dating from the 1950s. The eight curved double scroll arms end in flower-shaped bobèches and E14 bulbs, an additional E27 light at the top is in the center of the chandelier. It dates from the 1950s and is in perfect condition, ready to hang. The circular cage structure is made of gilded iron like the classic Maria Theresa style chandeliers and is fully covered with crystals and embellished with daisies, faceted crystal pendants and festoons composed of chains made of Bohemia crystals, a typical decoration of the 1950s. This hall chandelier has been completely re-electrified to European standards and is ready to hang. The interior iron frame has been restored and redecorated to be newly covered with the original
