Watercolor On Engraved Line, Early 19th Century. View Of Lucernes. Switzerland.

650 EUR

Period : 19th century

Condition : Bon état

Material : Paper

Length : 58

Width : 38

Description
-------------

Superb and large watercolor on engraved line from the beginning of the 19th century. It represents a view of Lucernes in Switzerland, a magnificent medieval city on the shores of Lake Lucerne. It is presented in its beautiful frame, with its old glass and its original gilding with external measurements of 75 cm x 56 cm. Some small restorations. Beautiful dimensions of the watercolor on engraved line, with the internal black border, 58 cm x 38 cm. Good condition.
