### Description

High quality luxurious sideboard by Jean Claude Dresse in the 1970s. Jean Claude Dresse is a highly appreciated Belgian artist and designer. This glamorous statement piece was made with high attention for detail in beautiful rich burl wood with ivory lacquer of exceptional high quality. Geometrical sculptured with sleek lines that enhances its timeless appeal. This piece features four doors that open with brass pulls. Behind the doors two spacious compartments with each one adjustable shelve. This elegant sideboard is in very good vintage condition. Wear consistent with age and use. The ivory lacquer finish has very little wear. Minor fading.
