

- W. Hogart - Engraving - The Five Orders Of Perriwigs / Les 5 Perrugues 1761 -

140 EUR

Signature : William Hogart

Period : 18th century

Condition : Bon état

Material : Paper

Description

- The Five Orders of Perriwigs as they were worn at the late Coronation - - The Five Ways of Wearing a Perriwig at the Late Coronation -- good condition for the engraved part, but several foxings in the margins, and a tear in the upper margin (see photos) as well as scratches on the lower border - - the engraving is surprisingly framed, it is perhaps a test by the printer..... - duly framed this very pretty piece will have the momentum of a masterpiece, with the following measurements: 420 x 370 mm for the sheet and 222 x 304 for the plate -
