

Erard Harp

4 600 EUR

Signature : ERARD

Period : 19th century

Condition : Etat d'usage

Material : Wood marquetry

Width : 0.95m

Height : 1.77m

Depth : 0.45m

Description

Harp from the Erard house bearing the number 3670, 13 rue du Mail Paris. Not being a specialist in this instrument, I find it in good general condition. It is made of rosewood and probably from the Charles X period given the marquetry. It has its tightening key as well as a tuning fork. This model is Gothic with dragon feet.
DIMENSIONS: 1.77M HEIGHT AND 0.95M WIDTH
