Description

Charming oil on canvas signed lower right Vebert, depicting a lively coastal landscape, probably in Brittany or Normandy, with a village with colorful roofs by the sea. A few figures stroll on the shore, bringing the scene to life under a cloudy sky painted with a beautiful mastery of light. The brushstroke is lively, the impasto visible, and the warm palette gives the whole a warm and authentic atmosphere. The style evokes the artists of the early 20th century influenced by the post-impressionist school. The work is presented in an elegant carved and gilded wooden frame with foliage decoration, from the period, which perfectly highlights the scene. Technique: Oil on canvas Signature: Vebert (lower right) Dimensions canvas only: 50 x 40 cm Dimensions with frame: 70 x 59 cm Condition: Very good
