Description

This vase from the 60s is a real sculpture, it weighs a significant 5.9 kilograms. It is a Murano work with a pretty free form, you will notice a block of glass which leaves in white background, the interior is blue, orange and red background, perhaps a name behind this creation. We report rubbing and slight micro-scratches, a line, a swelling, bubbles which are probably firing defects, however it is in a good general condition and will make its effect in a vintage interior. Sold uncleaned. For the condition please detail the photos. Do not hesitate to zoom. The photos are an integral part of the description. Dimensions: Height: 35 cm Total width: 23 cm Total depth: 10 cm M514
