Description

Elegant
pair of single-light candlesticks, crafted from statuary marble and gilded
mercury bronze. The candlesticks feature a tall pedestal base and a marble
amphora-shaped body, enriched with festoon decorations and handles with gilded
bronze masks. Stems of flowers and leaves extend from the top, along with the
candle holder, also in the shape of a plant, all in gilded bronze. The gilding
is original. This pair of candlesticks, exuding great elegance and refinement,
is perfect for decorating any space with style and sophistication. French
manufacture from the Neoclassical period, dating back to the late 18th century.
