

Jaeger Lecoultre Memovox Speed Beat. Hf. 28800. -1970-

4 600 EUR

Period : 20th century

Condition : Très bon état

Material : Metal

Diameter : 37 mm (hors couronnes) x 44 mm

Description

Stunning Jaeger LeCoultre Memovox in stainless steel, reference E 825, it is equipped with the caliber 916 (based on the K 825) with a high frequency of 28,800 A/H. This model offers central hours, minutes and seconds functions, as well as a 20-second alarm and a date display at 3 o'clock, self-winding movement. Very nicely patinated caramel-colored dial, with applied indexes and baton-style hands. The JCL logo is visible at 9 o'clock, and the alarm is indicated by a rotating disc in the center. The two-piece case is unpolished with a screw-down back. Dimensions: 37 mm (excluding crowns) x 44 mm (including lugs). The mechanism and the case are signed and numbered. This item is in excellent condition and works perfectly, having been serviced and checked in our workshop. Service: 06/2025, 2
