Description

This pendant light features a decidedly mid-century modern style, typical of the 1950s and 1960s. Its retro yet elegant aesthetic is ideal for a vintage or contemporary interior.Main structure:Composed of a vertical golden brass rod extending from the ceiling, it supports a horizontal brass frame. This structure gives it a refined and warm appearance.Shade:The light fixture is composed of six double metal shades, arranged symmetrically. Each shade is conical, one facing upwards and the other downwards.Colors: The upper parts are black and the lower parts are white, creating a beautiful two-tone contrast. Perforated details: Each shade features a series of small circular perforations that allow light to filter through, adding a decorative touch and a subtle lighting effect.The whole
