Description

The scene depicted appears to be dramatic and historical, most likely inspired by the famous painting "The Raft of the Medusa" by Théodore Géricault. Here are some clues that support this hypothesis: A leaning sail, a broken mast. A group of people huddled together, some in distress or unconscious. A figure appears to be raising its arm, as if calling for help. To better see the image, try placing it in front of a light source (such as a window or a lamp). The lighting will reveal all the hidden details.
