Description

Beautiful large vase with alpine decoration by Paul Nicolas. Piece of very high quality engraving, as always with this master glassmaker. We find a decoration of lakes, forests and mountains with an impressive perspective and depth. Note these pretty colors with this intense blue and green which contrast strongly with the forests in the foreground. Very beautiful fineness of engraving. Perfect condition, signed "D'argental" in the decoration, circa 1920. 35 cm high. Bright piece with bright colors, very good quality.
