Description

This small Louis XVI style cylinder desk in mahogany veneer is an exceptional piece, combining elegance and functionality. It opens with a cylinder, a drawer in the belt and three small drawers in the upper part, providing practical storage space for documents and personal items. The sliding shelf, with its replaced black leather top, is topped with three small drawers and a compartment, perfect for organizing small everyday items. The white marble top with gray veins, encircled by an openwork brass gallery, adds a touch of sophistication and refinement to the whole. The tapered base with rudentée fluting, finished with bronze sabots, testifies to the exceptional craftsmanship of the Louis XVI period. This desk embodies both the charm and sophistication of
