(tonnerre), proofmarked on the top and engraved "AG1813" on the left side.

Flintlock plate signed "Mre Imple de Tulle" (Imperial Manufacture of Tulle), with heart-shaped cock and straight comb - characteristic of the official production of the time.

Brass trigger guard and sideplate. Well-preserved wooden stock.

Original steel ramrod with "nail-head" tip, matching the official model.

Several inspection marks visible (including crowned "C").

A complete, unaltered antique firearm, representative of Napoleonic military weaponry. Highly sought-after by collectors of historic arms, flintlock pistols, and First Empire militaria.

? In accordance with Article L311-2 of the French Internal Security Code, this weapon is classified as a Category D - Collectible Weapon.

Purchase and ownership are free for adults.

Not for sale to minors.
