### Description

Belgium / 1970 / dining table / aluminium, glass / Mid-century / post-modern / Striking post-modern dining table in the manner of the famous Cityscape series by Paul Evans. The base of this dining table is made of anodized aluminum elements that can be moved separately so that you can modify the table in different setups. On top a thick rectangular glass top. It has some small user damage as you can see on the pictures. This brutal and beautifully sculpted furniture in metal and glass is both an artwork as a practical piece of furniture. The designer focussed on the play of light over pure form and gives the owner the ability to set the table to its own satisfaction. The sleek, transparent glass surface not only creates an illusion of spaciousness but also allows the shimmering
