Description

Second Pair of Blackout and Thermal Curtains in Sky Blue Cotton and Silk with Decorative Trims Pair of curtains with matching tiebacks, in cotton with a sky blue silk blend, with a sober and elegant style, offering a soft drape. Thanks to their fleece between the fabric and the lining, they are both blackout and thermal, perfect for keeping the heat in winter and the cool in summer. The gathered head gives a pleated effect that adds volume and elegance. Ties are attached to make hanging easier. The edges, center and lower part are highlighted by pretty decorative pompom-shaped trims in matching tones, bringing a touch of refinement. Composition : cotton and silk. Color : soft sky blue. Finishing : decorative trims on the center, edges and bottom. Properties : blackout and thermal. Condition :
