

Pair Of 19th Century Green Opaline Lamps From Madeleine Castaing

580 EUR

Period : 19th century

Condition : Très bon état

Material : Glass

Diameter : 12

Height : 47 au globe et 35 à la douille

Description

Pair of elegant lamps in green opaline glass, mounted as lamps with two globes, one of which is old. According to tradition, these lamps come from the Villa des Roses in Saint Prest in Eure-et-Loir, a house that belonged to Madeleine Castaing (to her in-laws), she lived in her famous neighboring house in Lèves. 19th century work, very pretty, bright color.
