

Tanto Type Kwaiken Samurai Sword Lacquer Aogai Meiji Period

2 000 EUR

Period : 19th century

Condition : Bon état

Material : Other

Length : 28 cm

Description

Very nice little tanto of the Meiji period Kwaiken type. Dagger for samurai man or woman very popular as a defense weapon. Handle and scabbard in lacquered wood. Black lacquer with pearly reflections oagai, very subtle cloisonné work forming a lively decoration and superb gilding. Wear to the blade, small shocks... Good general condition, some wear. Total length: 28 cm Blade length: 19 cm Thickness at the widest blade: 0.9 cm
