19th Century Gilded Wooden Angel Or Putto

290 EUR

Period : 19th century

Condition : Etat d'usage

Material : Gilted wood

Length : 39 cm

Width : 20 cm

Depth : 26 cm

Description

This sculpture of a cherub in flight, plump as desired and with a wingspan of 40 cm in the round, can be hung or used as a wall light because it is equipped with a solid forged hook. Its gilding, quite sparkling overall, reveals traces of gilding plate distributed harmoniously. In good general condition and without loss, it nevertheless presents some discreet traces of gluing at the level of certain fingers.
