Description

Rare earthenware dinner service from La Bisbal (Catalonia), hand-signed by Eusebio Costa Diaz, a 20th-century Catalan artist. It includes 6 soup plates (approx. 22 cm) and 1 large soup platter (approx. 30 cm), all hand-decorated with scenes of birds perched on branches. Each piece is hand-painted, with rich details and highlights of gold threads on the feathers and plant decorations. The scenes are lively and colorful, in an expressive style typical of post-war Catalan earthenware. The reverse of the pieces is patinated and bears the handwritten signature E. Costa.
